

*Beyond the Classroom Learning*

**Alberta Sports Hall of Fame & Museum Education program**

**“The Art in Sport”: Grades K-4**

Art, beauty and design can be seen in many aspects of sport. Students will discover the many forms art can take and the sense of pride that is associated with artistic symbols of our country. Through hands-on artefact explorations and expressions of their own creativity students will explore art in sport together. We hope to inspire both the artists and sport fans within!

Our K-4 programs consist of: 20 minutes of educational instruction, a physical literacy component followed by a brief museum tour and free time to play!

All programs include learning about the preservation of Alberta’s sports history, archiving, and the care and handling of artefacts.

Objectives:

- To educate students on the many places and forms art takes form within the sports industry
- To encourage creativity and passion for art in sports within each student
- To inspire students to look at all the different opportunities and career paths surrounding sport
- To excite and interest students about Alberta’s rich sports history

Curriculum Connections:

Fine arts: “Reflection, Depiction, Composition and Expression”

- 3.3 Students will interpret artworks by examining their context and less visible characteristics.
  - D. Our associations influence the way we experience a work of art.
  - E. Art is valued for different reasons; e.g., aesthetic, economic, symbolic, associative.
  - F. Art serves societal as well as personal needs.
- 3.5 Students will create an original composition, object or space based on supplied motivation.
  - A. Outside stimulation from sources such as music, literature, photographs, film, creative movement, drama, television and computers can be interpreted visually.
