

Beyond the Classroom Learning

Alberta Sports Hall of Fame & Museum Education program

“Lasting Traditions” - Recommended Grades 4-8

Albertan Indigenous culture has provided many lasting traditions that continue today all across our province and country. Students will discover where these traditions live on as well as explore some examples of traditional sports. Students will also investigate indigenous sports artefacts, important figures and try their hand at some Arctic Winter Games, continuing the legacies of Indigenous traditions.

Our 4-8 programs consist of 30 minutes of educational instruction, a physical literacy component followed by a brief museum tour and free time to play!

All programs include learning about the preservation of Alberta’s sports history, archiving, and the care and handling of artefacts.

Objectives:

- Students will leave more educated and appreciative of the history and evolution of Indigenous sports in Alberta
- Students will be able to use the information given to them to properly understand elements from their own lives that may be borrowed from lasting Indigenous traditions
- Students will learn about indigenous athletes that have left their mark in Alberta’s sports history and culture
